## ANNOUNCEMENT OF INTENTION TO OFFER MOTION TO INSTRUCT CONFEREES ON H.R. 2990, QUALITY CARE FOR THE UNINSURED ACT OF 1999

Mr. BERRY. Mr. Speaker, pursuant to clause 7(c) of rule XXII, I hereby announce my intention to offer a motion to instruct conferees on H.R. 2990.

The form of the motion is as follows:

I move that the managers on the part of the House at the conference on the disagreeing votes of the two Houses on the Senate amendment to the bill H.R. 2990 be instructed (1) to take all necessary steps to begin meetings of the conference committee in order to report back expeditiously to the House; and (2) to insist on the provisions of the Bipartisan Consensus Managed Care Im-

provement Act of 1999 (Division B of H.R. 2990 as passed by the House), and within the scope of the conference to insist that such provisions be paid for.

## AIR QUALITY AND AIR POLLUTION IN THE STATE OF TEXAS MUST BE ADDRESSED

(Ms. JACKSON-LEE of Texas asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON-LEE of Texas. Mr. Speaker, this evening the environmental agency of the State of Texas will hold a meeting to address the question of air quality and air pollution in the City of Houston in the State of Texas. I rise to the floor to ask my constituents and the State of Texas to take seriously the devastation that we have experienced with poor air quality. Many of my constituents are already suffering from a high degree of respiratory illnesses. Houston has been noted as the number one city with air pollution.

In addition, we have not come up with solutions that can address the concerns and remedy the problem.

Tonight, although I will not be able to join my constituents in this meeting, I am pleading that we work with the Environmental Protection Agency; that we work with our State environmental agency; that we ask the governor of the State of Texas to join with us to expeditiously formulate a plan that will address the concerns that are devastating our community, poor air quality, poor health conditions; and that this evening we will have an open and vigorous debate and discussion that real solutions can come about at the meeting being held at the Houston-Galveston council tonight at 7:00 p.m. in Houston, Texas; and that we will realize that the Environmental Protection Agency is there to help and not to hurt; and that we will have a plan that will help to enhance the quality of life of all Houstonians in the State of Texas.
